## Flexible Lance Safety Guard

**Complete Guard Assy Standard  
Part No - 77209001**

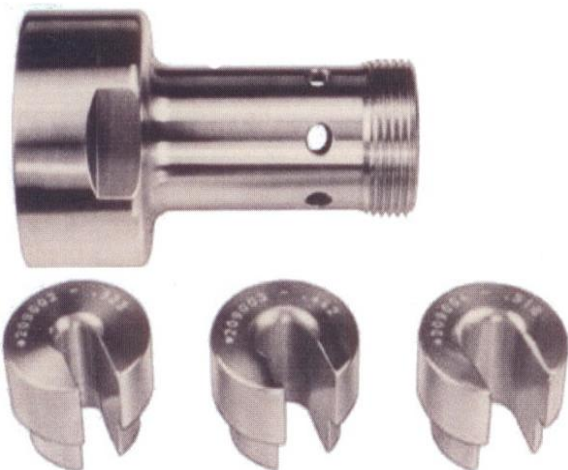

**Complete Guard Assy Large  
Part No - 77209036**

The Flexible Lance Safety Guard – Easy Installation of Lance Stop

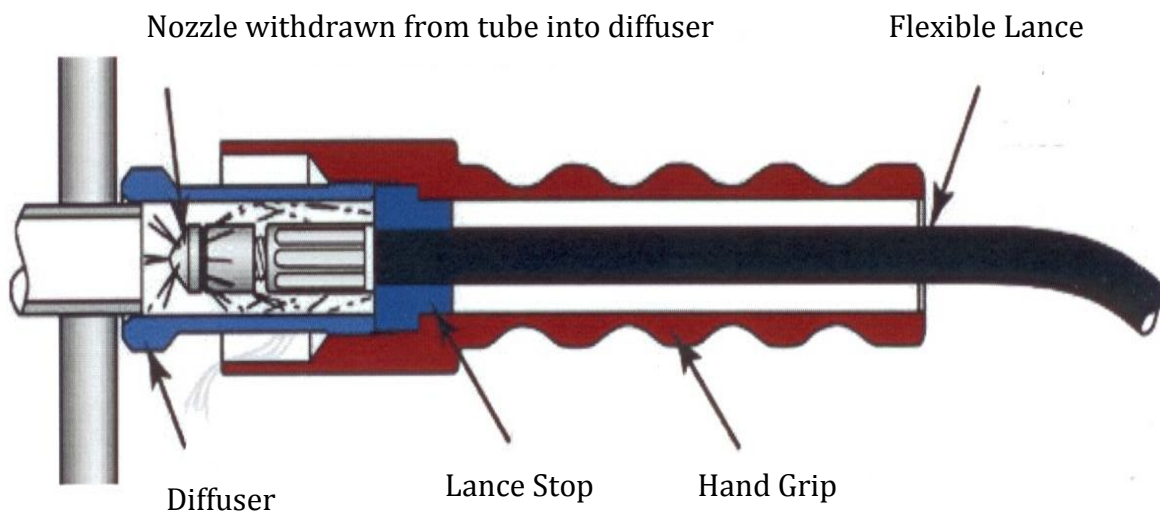

**Standard Diffuser – Part No. 77209010**

**Large Diffuser – Part No. 77209013**

Lance Stop Diametre	Part No
0.323 inches	77209002
0.442 inches	77209003
0.510 inches	77209004

### **Applications and Features:**

The Aqua Energy Flexible Lance Safety Guard reduces the danger from a live nozzle (i.e. pressurized) while it is being withdrawn from a tube sheet. This minimizes the risk of the operator injury resulting from a live nozzle exiting a tube unexpectedly. The nozzle cannot be pulled out of the Flexible Lance Safety Guard thereby protecting the operator from high pressure spray. Three sizes of lance stop are provided with each complete assembly.
