- ✓ Ergonomic handle on air motor to reduce repetitive stress injuries
- ✓ 4200 RPM air motor for amazing removal rates.
- ✓ Quality European construction

## ***Ultra Quality Pumps, Parts & Systems***

### **Swivel:**

- ✓ Long lasting, easy to maintain design
- ✓ Up to 6.0 GPM (10GPM available)
- ✓ Rated to 3034 BAR (3793 BAR Version available)
- ✓ Sealed shaft chamber for improved lubrication
- ✓ Angular Contact Bearings
- ✓ Hardened Stainless Steel construction.

### **Lance:**

- ✓ Rated to 3448 BAR
- ✓ Unique alignment system for increased parts life
- ✓ Accepts all standard 9/16 Button style nozzle carriers
- ✓ Bearing pack at beginning, mid-point and end of lance for easy rotation.

### **Reasons to Own:**

#### ✓ **Profitability**

There are literally hundreds of Aqua Guns in operation around the world. Aqua Guns continue to run day after day, reducing down time and maintenance costs

#### ✓ **Productivity**

The Aqua Gun is different from every other UHP air tool. It is design with productivity in mind. Industry leading air motors and swivels help you to remove more

#### ✓ **Safety**

We're the only waterjetting company to offer an ergonomic handle to reduce repetitive stress injuries in blasters hands. We also offer 2<sup>nd</sup> triggers for increased safety

*The Aqua Gun from **Aqua Energy** is waterjettings premier cleaning tool.*

*Over 50 leading blasting companies can't be wrong – Try a Aqua gun and you'll understand the difference.*
